

The objective of the Chinese Language courses is to immerse students into Chinese language and culture. The curriculum encompasses listening, speaking, reading and writing aimed at raising students' Chinese proficiency at all levels. Unique cultural courses and field trips to historic places in Taiwan are offered to provide the participants an opportunity to familiarize themselves with Taiwan culture and to practice their Chinese in a native environment.

When participants enroll in the program, they will be tested on their Chinese level to ensure that they are placed into an appropriate class that best matches their needs.

The Chinese Language courses aims to

Enable beginners to have basic communicative skills

Allow intermediate students to become fluent speakers

Achieve high-level performance proficiency for advanced level students

Highlight of the Class

- Small class sizes facilitating instructor-student interaction
- Around 5 hours per day of classroom instruction
- Focus on real-world materials with application to daily life language
